SESSION 1: 9:15am

TITLES		DESCRIPTIONS, PRESENTERS and LINKS
1A	Engaging Read Alouds: Unlocking the Magic of Books!	Join us in Unlocking the Magic of Books! In this workshop, families will discover effective strategies to captivate their children during read- aloud sessions, enhancing their listening, speaking, reading, and writing skills. Engaging read-alouds go beyond reading; it involves interactive strategies such as asking questions, fostering discussions, reading collaboratively, and encouraging writing reflections. Join the Elementary Literacy Team for an enriching experience! Presenters: Dr. Elizabeth Bernal; Susan Spillane; Fabiola Caicedo- Garcia; Andrea Goring Link: <u>https://bit.ly/1ALiteracyLiteratura</u>
18	Proportional Reasoning: Making the Right Mixture	Let's engage in real life problems that involve proportional reasoning. Many everyday life activities such as mixing paint, increasing a recipe, enlarging/shrinking images, and using percentages to compare quantities require proportional reasoning. Developing strong proportional reasoning builds a strong foundation for success in Algebra and high school math Presenters: Firoza Kanji; Philip Ogbuehi Link: https://bit.ly/IBSecondaryMathMatemáticasparaSecundaria
1C	Preventing and Responding to Behavior(s) in the Home Setting	This workshop will provide prevention and intervention strategies for participants to use for challenging or escalating behaviors that may occur in the home. Participants will learn the importance of verbal and nonverbal communication to minimize behaviors and be introduced to strategies aligned with the Escalation Cycle. This training will also give participants concrete tools to support with the emotional regulation of individuals in the home setting. Presenters: Claudia Valladarez; Laurie Cooley Link: https://bit.ly/1CBehaviorsComportamientos
1D	Tutoring Works!	LAUSD provides a variety of tutoring services for students at no cost. In this presentation, we will cover on-demand homework help and high-dose tutoring options. Presenters: Caroline Walden; Jessica Insco; Ann Argo; Rain Owens Link: https://bit.ly/IDDistrictTutoringTutoríadeIDistrito

SESSION 2: 10:10am

TITLES		DESCRIPTIONS, PRESENTERS and LINKS
2A	Estimation, the Real Math!	Get ready to explore how estimation is not just a math concept but a useful tool for everyday problem-solving! Families will discover the practical applications of the math strategy of estimation in their daily routines. From navigating the aisles of the grocery store to plotting out a road trip, estimation plays a crucial role in making quick calculations and informed decisions. By engaging in this interactive workshop, students and parents alike will gain valuable skills that can be applied in various real-life scenarios. Presenters: Helen Kim; Ricardo Romero Link: https://bit.ly/2AElementaryMathMatemáticasparaPrimaria
28	Improving Student Research Skills in the Age of Information	TikTok may be your child's social media site of choice, but does their time spent scrolling the internet improve their grades? Discover how to empower your child's academic journey by improving their critical media literacy and research skills. Join our experts and discover insights that will help to support your child's end-of-year writing assignments. Presenters: Ryan Hyatt; Alyssa Avila Link: https://bit.ly/2BSecondaryLiteracyLiteraturaSecundaria
2C	Transition Services for Students with Disabilities	It is never too early to begin to prepare for life after high school. Join us to learn about Transition Services for students with an Individual Education Program (IEP) ages 14+ in the Los Angeles Unified School District. This session will focus on Transition services for students ages 14+, the pathway to a diploma/certificate of completion for students with disabilities, and will provide an overview of the Individual Transition Plan (ITP) in the IEP. Presenter: Jaclyn Tolj Link: https://bit.ly/2CTransitionPlanPlandeTransiciónITP
2D	Social Emotional Learning (SEL): What it is and Why it's Important Right Now!	SEL is a set of inter and intrapersonal skills that support success in school, the workplace, relationships, and the community. Learn to support growth in your student in the SEL competency of Social Awareness, including specific strategies to strengthen communication about school. Presenters: Justin Lauer; Susan Ward Roncalli Link: https://bit.ly/2DSocialEmotionalLearningAprendizajeSocioemocional

SESSION 3: 11:05am

TITLES		DESCRIPTIONS, PRESENTERS and LINKS
3A	Reimagining	Join us for an informative presentation aimed at parents to demystify
	Progress:	the English learner journey and explore the critical aspects of
	Reclassificati	reclassification. We'll delve into how English learners are monitored
	on and Your	throughout their academic journey, the criteria for reclassification, and
	Child's Future	the ongoing support provided for reclassified students. Our goal is to
		empower parents with a comprehensive understanding of their child's
		educational journey and how families may support it, fostering
		collaboration between educators and families to ensure the success of
		every student. We're looking forward to you taking part in this insightful
		presentation.
		Presenter: Ana Montenegro
